

Talent has a place to grow

## Intern (m/f) in Allianz Investment Management SE

Allianz Group is one of the largest and most renowned financial services providers in the world representing an international network of strong brands with first-class products. Above all, we strive for commitment to excellence in our daily business, in our relationships with customers, shareholders, employees and society. The Allianz Group serves more than 76 million customers in about 70 countries.

Allianz Investment Management (AIM) is the investment management arm of the Allianz Group, responsible for managing the risk/return profile of its € 400 bn investment portfolio. Our global network of operations spans from Munich and Stuttgart to Milan, Paris, Minneapolis and Singapore and offers multifaceted career opportunities for outstanding financial talents.

### Your new duties and responsibilities

- You will be part of the Global Fixed Income Team based in Munich. Members are very international and located throughout the globe
- You will perform market analysis and your own small research projects. In addition, you will participate in the evaluation and execution of landmark investments
- You will help to prepare investment cases within a wide range of fixed income market segments

### Required qualifications and experience

#### Qualifications

- We are looking for people with initiative who can work independently within a very international and dynamic environment
- You are an inquiring person and a quick learner
- Of course you are interested in capital markets and investments. Fixed income know-how would be a plus

#### Experience

- You must be registered as student for the entire duration of the internship
- You have completed your undergraduate studies in business administration, economics, or mathematics with solid credentials
- Previous work experience in the financial industry is a plus
- Fluent in English (other languages are a plus)

Job start and duration: Asap, minimum 3 months
